English Study Camps
by Wimbledon School of English

Paul Greaves - Director of Young Learners

I'm happy to present the Summer 2027 programmes from English Study Camps by WSE. Over the years, we have seen how much a summer course can help young people and how many good memories it can give them. We always try to make our junior and teen students' experience special, and we were proud that this was recognised in our 2023 British Council inspection, when we received 10 strengths.

Our Centres

Lord Wandsworth College, Hampshire, UK

Wimbledon, London, UK.

Epsom College, London, UK.

Great UK Locations

We offer a choice of three fantastic places to study - the green fields of Lord Wandsworth College, the impressive Epsom College London campus, or Wimbledon - one of London's safest districts.

Safety & Welfare

The safety and wellbeing of our students is extremely important to us at English Study Camps, and we were commended for our excellent safeguarding practices in our recent British Council inspection.

Excursions & Activities

We offer a full programme of excursions, activities and evening entertainment so students practise their language, have fun and make friends while exploring the UK.

An Engaging Study Programme

We are dedicated to helping children and young adults achieve their goals by integrating the 5 'Cs' of 21st Century learning: Critical Thinking, Communication, Collaboration, Creativity, and Confidence in all our courses.

Great Nationality Mix

In 2026, we welcomed students from 31 different countries to our summer centres.

British Student Ambassadors

Our British Student Ambassadors are part of the programme at Lord Wandsworth College, Hampshire. As members of the student body they study alongside our international students, giving them the opportunity to learn about British culture first hand from their peers.

Our mentors live on campus with our international students and participate in our Future Business Leaders course and all activities.

Last year we welcomed 21 different nationalities at Lord Wandsworth College, giving both British and international students the opportunity to make friends and learn about different cultures. This unique platform cultivates cultural exchange and brings greater international understanding to all participants.

British Students Completing Their Duke of Edinburgh's Award

During your stay at Lord Wandsworth College, British students will also be living on campus. They will be doing part of their Gold Duke of Edinburgh's Award (DofE), a popular programme for young people in the UK.

For this part of the award, they must stay away from home for five days and four nights, meet new people and take part in different activities.

This means you will have the chance to meet British teenagers, make new friends and learn more about life in the UK.

Ella - British Student Ambassador

"I thoroughly enjoyed my experience helping the international kids improve their English and understand British culture. I've made many friends that I'm still in contact with to this day"
