Courses for Teachers 2027

WSE Courses for Teachers

WSE Courses for Teachers are designed to give educators the skills they need to integrate the most up-to-date methods in language tuition and academic management into their educational environments. We offer courses which encourage personal and professional development, whether you're a newly qualified teacher or someone with decades of experience.

Teaching for the 21st Century is for educators who have been teaching for a while but wish to sharpen their skills and keep up to date with developments in teaching methodology.

WSE Worldwide courses are bespoke teacher training courses which can be arranged as 1-to-1 lessons or for a closed group at any time throughout the year.

We can also arrange online follow-up training sessions for all WSE Courses for Teachers, to help further develop your skills. Please contact us at info@wimbledon-school.ac.uk for further information and pricing.

Why you should choose WSE:

- WSE is the joint Number 1 school in the UK according to EL Gazette Rankings (based on British Council inspection reports)
- We have highly qualified and experienced trainers who are all DELTA/Trinity diploma qualified
- WSE is a centre for Trinity Cert TESOL
- We are responsive and agile
- Our trainers teach specialist courses, such as English for Medicine, Trinity CertTESOL, English for Law, English for Aviation, Pre-sessional English and Cambridge Examination Preparation
- We have experience in teaching ESP, EAP, juniors, mixed ability classes, closed groups, and international classes

Teaching for the 21st Century

This course will help you become a more confident, adaptable and innovative English teacher. Guided by our highly experienced and qualified trainers, you will develop your classroom practice, deepen your understanding of current ELT methodology, and explore new developments that are changing English language teaching.

A distinctive feature of this course is practical training in AI and other digital tools that can transform lesson planning, materials creation, assessment and learner engagement. You'll discover how technology can enhance learning while still focusing on effective teaching in every lesson.

Throughout the course, you will build on your own teaching experience while learning from fellow participants and observing experienced WSE teachers in action. Together, these experiences will provide fresh ideas, practical techniques and new perspectives that you can confidently apply in your own teaching context.

You will explore engaging ways to help learners build confidence, develop communicative skills and achieve greater success in English. You'll also tackle some of the more challenging aspects of language teaching, leaving with a set of practical strategies that you can adapt to your learners' needs and your own teaching style.

On this course you will:

- Explore the latest developments, methodologies and best practice in English language teaching.
- Discover practical ways to help learners develop language, confidence and communication skills.
- Gain effective strategies for teaching challenging areas of English.
- Learn how to meet the needs of learners of all abilities, from those needing extra support to those ready for greater challenge.
- Use AI and digital technologies confidently to enhance planning, teaching, assessment and feedback in both face-to-face and online classrooms.
- Develop practical techniques and innovative ideas that can be implemented immediately in your own teaching.
- Build a personalised toolkit of adaptable activities and resources to support your learners and complement your teaching style.

Trinity CertTESOL Courses for Closed Groups

- For groups of 6 to 12 students
- Minimum Age: 20
- Minimum Level: CEFR Advanced C1
- Course length: 4 weeks
- 130 timetabled hours and 70 self-study hours in total

- Trinity Cert TESOL courses are predominantly for teachers at the start of their careers, looking to gain an internationally recognised qualification.
- The internationally-recognised Trinity College London TESOL certificate (Level 5 OFQUAL qualification) is accepted by the British Council as an initial certification for English language teachers in its accredited teaching organisations in the UK and overseas. This qualification opens doors to a career in English Language Teaching (ELT).
- The Trinity CertTESOL, along with the Cambridge CELTA, is one of the most widely-recognised English Language Teaching qualifications in the world, and equips you to teach in a huge variety of countries and organisations. It is the minimum requirement to teach at any British Council accredited school and is valued by all employers in the field

Please note that Trinity requires that all course participants pass an interview and a language awareness test before being admitted onto the course. Participants must also be able to prove that their level of English is at least C1.

On this course you will:

- Increase your awareness and understanding of the structures and sounds of the English language
- Learn techniques and strategies for classroom management
- Explore different methods for helping learners to understand various aspects of English
- Create effective lesson plans for teaching different skills and structures
- Teach 6 hours of observed classes from your own lesson plans, and receive detailed feedback on your performance
- Be equipped with all the skills and knowledge you need to be an effective teacher in a variety of contexts

Cambridge CELTA & DELTA Courses

WSE is now partnered with NILE (Norwich Institute for Language Education) – one of the top teacher training providers in the UK.

Benefits:

- Train with two of the best schools in the UK.
- Improve your English at WSE in London.
- Attain your CELTA/DELTA with NILE in Norwich.
- Discounts for NILE trainees who bring English language learners to WSE.
